## Side Gate by Stephenson Class

Several members of staff now park in the school driveway to help alleviate parking problems. Please can we ask you not to allow children to come through the side gate unattended or to rush ahead of you? Staff are always very careful when they move their cars or exit the drive, but a small child rushing round the corner may not be seen.

## Summer Uniform

Children may now wear summer uniform, if they wish. Red and white check dresses for girls with red cardigans or sweatshirts.

Red polo shirts and grey trousers or shorts for boys (and girls if preferred).

Sensible school shoes – no open toed sandals or flip flops please. Some children are still wearing trainers or plimsolls to school – these are not part of school uniform, please ensure your child has proper school shoes as soon as possible.

Polo shirts with the school logo can be purchased at [www.brigadeuniformdirect.uk.com](http://www.brigadeuniformdirect.uk.com)

## PE Kit

Please ensure your child has full PE kit in school every day, especially during the summer terms. So much staff time is spent looking for spare kit to allow children to take part.

## Taylor Wimpey Construction

We have received notification about construction work at Saxon Mead, Oliver Road, Staplehurst. The site works commenced on 17<sup>th</sup> March and will last for 156 weeks. We have been asked by the Local Authority to remind children about possible dangers if children are near the site. For more information, please see the letter on the school notice board.
