

# Potter Class

We have been practising our Grumpy Badger Performance. We made masks and tails too.

We have used the big bricks to build police boats, a sleigh, Lapland and a train station.

We made Christmas Pudding biscuits ready for our performance next week

Don't forget our Class Performance next week. Wednesday at 10 o'clock with craft activities to follow. Refreshments will be served for a donation to Potter Class funds

We brought in our Christingle candles and carried them to the church Service. We talked about the Children's Trust.
