He/she can be contacted outside of school hours on:

E-mail: headteacher@frittenden.kent.sch.uk

School Day: 8.50-3.15

Students are requested to be in school by 8:30am

Parking

Parking is not available on the school site, however there is parking on the main street. Please be mindful of residence and do not obscure drive ways etc.

Tea and Coffee

Help yourself to tea, coffee and biscuits and help yourself to any mug! (You may be required to make a contribution to the 'tea fund' if your placement is over a long period of time) If you are taking a hot drink to the playground or back to the classroom, you will need to use a thermal mug with a protective lid.

Dress Code

Students are asked to adopt the same dress code as the teacher, which is smart/casual for everyday wear-no jeans, trainers (except when helping with a P.E. lesson) or inappropriately skimpy clothes. If you are going on a school trip, please discuss the clothing with your class teacher as we often wear more casual clothes ourselves on such occasions.

Duties

Although you will not be asked to take sole responsibility for a playground duty during your placement, you may be asked to share these times with the children and arrange for a coffee break with your class teacher.

Staff Room

Staff rooms are busy places where teachers have the opportunity to let off steam and sometimes to discuss confidential matters concerning children. It is paramount that students abide to the schools code of confidentiality. (Please read the School's Confidentiality Policy.)

Child Protection

In the course of the day children may talk about things that are causing them concern. If at any time you are involved in such a discussion with a pupil, please refer the matter to the class teacher. Depending on the nature of the discussion you may be referred to the head teacher who is also one of the Designated Safeguarding Leads for the school. Mobile phones are not to be used whilst in the main body of the school, but can be used in the staffroom.

Contributing to the life of the School

One of the Standards that you need to meet by demonstrating competence is contributing to the life of the school. It is a good idea to be thinking early in your practice ways in which you might do this. Perhaps you could help with the Christmas Bazaar, summer Fete, a book fair or an after school or lunch-time club. If you have a particular talent, don't hide it! You could offer to share it with classes other than your own: if you play an instrument you could offer to give a demonstration in a Key Stage assembly for example. Talk to your mentor/class teacher about this.

Questions or Concerns

If there is anything else that we can do to help you please do not hesitate to ask. If you have any concerns it is much better that you discuss them early on so that something can be done to help.

Finally, good luck in your school experience-you will get out of this placement what you put into it so ENJOY!
