

# What we have been up to in Wells Class recently...

The first week back has been full of activity and learning!

It has been a mix of exciting tales of what we got up to in the holidays and getting back into the swing of school.

## Maths

During our maths lessons we have been looking at place value using manipulatives, Year 4 have been using Roman Numerals and we've been playing maths games in groups to extend our knowledge with competitive spirit!

# English

Our English lessons have involved investigating Non-Fiction text, focused on explorers of the world. We are working on compiling our own informative piece of writing, utilising our use of commands, questions and exclamation sentences.

We really enjoy learning about pioneering, adventurous, women like Amelia Earhart and the amazing Annie Londonderry, not to mention Christopher Columbus.

With the recent good weather, we have been working outside for the PSHE/development of our social skills.

# Remembering the Queen

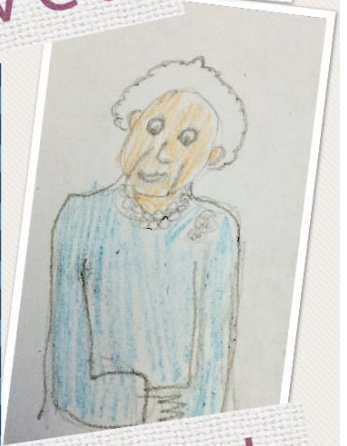

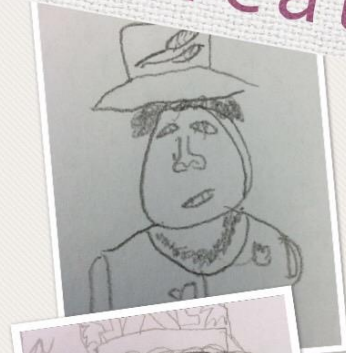

Compassionate

Dedicated

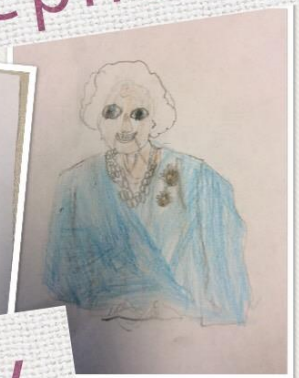

Loved

Reflecting  
on the  
life of  
The Queen

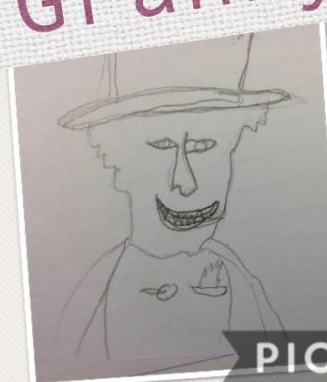

Shepherd

Leader

Granny

We were invited to St Mary's church where Rev. Pete gave us the opportunity to think about and share our thoughts on the sad passing of the Queen. We wrote sentences in remembrance and reflection of the Queen's service to add to the book of condolences, which is available for the public to record their feeling and thoughts also. You could go and read our thoughts and add you own.

Term 1

Geography – International trade

Music – Guitar and more
