

# Frittenden CEP School

Over the last 2 weeks Potter Class have seen 2 of their butterflies emerge from their chrysalis and they have build a wormery—it has all been about nature. Today they also learned that if you accidentally cut a worm in half, it does not live or re-grow. I am happy to report that they didn't complete a practical activity to find this out.

Dahl Class welcomed a guinea pig called Hope, who Maisie brought in to show the class. They have also been acting out the story of the Smartest Giant in Town, as well as learning songs from the Sound of Music. Year 2 have also been practicing, looking at a maths paper to see what it will be like. They all took it in their stride.

Wells Class have been learning about Ancient Egypt and in particular the process of mumification. Last week they presented their work: the results were fabulous, lots of images and writing, which was beautifully presented. In science they have been investigating how absorbent different types of nappies are. Some can hold over 350ml of liquid!

Shakespeare continue to be diligent in their approach to learning. Year 6 completed their SATs this week: they all tried their best and gave it their all. We are really proud of the way that they conducted themselves.

From Monday....

We would like Dahl Class to enter the school via the end door by the road and not through the hall door.

At the end of the day they will be released from the playground along with the rest of the children.

We ask that once children are collected, that you leave the playground in a timely manner. This will enable clubs to commence promptly. Many thanks.

## Dates:

### **16 - 20th May**

Residential @ Kingswood

### **24th May**

Forest School Year R

### **26 May**

Potter & Dahl Class Rare Breeds Centre

### **27 May**

Jubilee Celebration

## Certificates :

HT Award : Eloise & Georgina

Potter Class: Angus & Arthur

Dahl Class : Arthur, Mathilde & Elsa-Grace

Wells Class : Amelia & Lola

Shakespeare Class : India and Lilia

Happy Birthday  
wishes to:

**Italia &  
Daisy**

## Friday Fun!

Today we surprised the children with a treat afternoon. They were not expecting it and the cheers of joy and delight were terrific.

We took the whole school to the Rec. for fun and games: they played on the equipment; there was rounders; ball hitting practise; tennis and skipping.

They all had a tasty doughnut and we all enjoyed the weather and being together. More images will be added to the website.

## Year 3 Forest School Fun!

We have had a lot of fun in the woods.... Investigating, making, cooking, fire lighting, experimenting, den building, knot making, pancake eating!
