

Frittenden Church of England Primary School

Charging and Remission Policy

Shepherding our school community to enrich God's world and flourish.

Policy Control	
Responsible Person:	Nichola Costello
Published:	26 th September 2024
Date due for review:	September 2026

Our school policies are written with the objective of continuously improving the school in our aim of realising the school's vision:

At our school each child is known and nurtured in our inclusive family; we value each member of our community equally. Our enriching curriculum develops the whole child to find joy in the every day. We are responsible and respectful, outward looking environmentalists who shepherd God's world and each other.

Our Values

Compassion. Respect. Joy

The Governing body cannot charge parents and pupils for any activity unless it has drawn up a charging policy. Moreover, when made, charges per pupil cannot exceed the actual costs incurred, which mean that pupils who can pay should not be charged extra to cover the costs of those who cannot afford to.

The governing body must not charge for any activities which take place when the school is actually in session, excluding the break in the middle of the day. The exception is musical instrument tuition for individual pupils or pupils in groups of up to four, as long as such teaching is not an essential part of the National Curriculum or a public examination syllabus being followed by the pupil(s).

If the school wishes to run an activity during the school day for which it would need contributions from parents or others, it can invite voluntary contributions. However, no child should be excluded from such activity because his or her parents cannot or will not contribute.

The school can charge for optional, extra activities provided mainly or wholly outside school hours as long as such activities are not an essential part of the National Curriculum or religious education. Activities which are an essential part of the syllabus for an approved examination must be provided free.

Chapter 23 of A Guide to the Law for School Governors provides further, detailed guidance on residentials, use of mini-buses, public examinations and activities provided during school hours by external bodies

Status : Statutory

Purpose

The purpose of the policy is to ensure that, during the school day, all children have full and free access to a broad and balanced curriculum. The school day is defined as: 8.45-3.15pm

What was consulted?

The policy has been informed by A Guide to the Law for School Governors.

Relationship to other school policies

The policy complements the school's equal opportunities policy, curriculum policy and teaching and learning policy.

Roles and responsibilities of headteacher, other staff, governors

The headteacher will ensure that the following applies:

Activities during the school day

All activities that are a necessary part of the National Curriculum plus religious education will be provided free of charge. This includes any materials, equipment and transport to take pupils between the school and the activity.

Voluntary Contributions

The staff and governors recognise the importance of activities that while not an essential part of the curriculum, add value and enjoyment to the experiences of the children. Voluntary contributions may be sought for such activities during the school day which entail additional costs.

In these circumstances no pupil will be prevented from participating because he/her parents cannot or will not make a contribution. Children of parents who do not make a contribution will not be treated any differently. If a particular activity cannot take place without some help from parents, this will be explained at the planning stage. An activity may be cancelled if not enough voluntary contributions are collected.

From time to time we may invite a non-school based organisation to arrange an activity during the school day. Such organisations may wish to charge parents, who may, if they wish, ask the headteacher to agree to their child being absent for that period.

Optional activities outside of the school day

We will charge for optional, extra activities provided outside of the school day, for example after school clubs that are not school run e.g. Premier Sport sports clubs, Drama Club. Such activities are not part of the National Curriculum or religious education, nor are they part of an examination syllabus.

Participation in any optional extra activity will be on the basis of parental choice and a parental agreement will be a pre-requisite for the provision of any optional extra activity.

Education partly during the school day

If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day.

Conversely, if the bigger proportion of time spent falls outside of the normal school day, charges will be made. When such activities are arranged parents will be told how the charges were calculated.

Residential Offsite Activities

Charges will be made for board and lodging, except for pupils whose parents are in receipt of Income Support, Income-based Jobseeker's Allowance, support under part VI of the Immigration and Asylum Act 1999, Child Tax Credit, the guaranteed element of State Pension Credit.

Other charges will be made to cover costs when the number of school sessions missed by the pupils total half or more of the number of half-days taken up by the activity. In such cases parents will be told how the charges were calculated.

Music Tuition

Charges will be made for teaching an individual or group to play a musical instrument or to sing where the activity is not an essential part of the national curriculum or public examination syllabus, such as individual instrumental lessons.

Damage/Loss to Property

A charge may be levied in respect of wilful damage, neglect or loss of school property (including premises, furniture, equipment, books or materials), the charge to be the cost of replacement or repair, or such lower cost as the Headteacher may decide. A charge may be levied in respect of wilful damage, neglect or loss of property (including premises, furniture, equipment, books or materials) belonging to a third party, where the cost has been recharged to the school. The charge to be the cost of replacement or repair, or such lower cost as the Headteacher may decide.

Other Charges

The Headteacher, Finance Committee or Governing Body may levy charges for miscellaneous services up to the cost of providing such services e.g. for providing a hard copy of an OFSTED report.

For details of charges specifically related to Subject Access Requests under the General Data Protection Regulations, refer to the School Data Protection Policy. For charges relating to Freedom of Information requests, refer to the **School Freedom of Information Policy**.

Calculating charges

When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who can't. Support for cases of hardship will come through voluntary contributions and fundraising.

Remissions Policy

The Headteacher or Governing Body may remit in full or part charges in respect of a pupil, if it feels it is reasonable in the circumstances.

The Headteacher or Governing Body may decide not to levy charges in respect of a particular activity, if it feels it is reasonable in the circumstances.

Parents who may qualify for support are those who are eligible for:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit
- Working Tax Credit

- Universal Credit

Depending on the current personal circumstances of the parents involved, pupil premium grant may be used to remit a percentage of the charges (refer to the Pupil Premium Policy) for eligible pupils at the discretion of the Headteacher, where they otherwise would not be able to access the activity.

The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents

Additional Considerations

The governing body recognises its responsibility to ensure that the offer of activities and educational visits do not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- We give as much notice of visits as is reasonably practicable (and their approximate cost) so that parents can plan ahead;
- We have established a system for parents to pay in instalments for more expensive visits;
- When an opportunity for a trip arises at short notice it may be possible to arrange to pay by instalments beyond the date of the trip on request;
- We acknowledge that offering opportunities on a “first pay, first served” basis discriminates against pupils from families on lower incomes and we will avoid that method of selection.

Arrangements for monitoring and evaluation

The Resource Committee will monitor the impact of this policy by receiving on a termly basis, a financial report on those activities that resulted in charges being levied, the subsidies awarded (without giving names) and the source of those subsidies
