Welcome to Shakespeare and for many of you welcome back!

I hope that you will find this information useful to support your child and their learning at home. Furthermore, that it gives you an insight into the day to day learning that takes place within the classroom. Lots more information about things going on in Shakespeare class can be found on the school website within the Shakespeare class pages.

## Homework

### Maths

Mental Arithmetic returns home today to keep our Maths skills ticking over and these books should be returned on **Wednesday**. Your child will need to complete one page of MA using pencil unless they have been told otherwise. If your child has not bought a Mental Maths homework book home with them today, please can we check to see if it is still at home.

### Reading

Years 5 and 6 pupils should be reading for at least 20 minutes x 5 a week. It is expected that the children read every day for a minimum of 20 minutes. This could be reading to an adult aloud, independently or sharing a book together. It is important that the comprehension and understanding of the text is checked regularly.
